

Primary Stakeholder Map

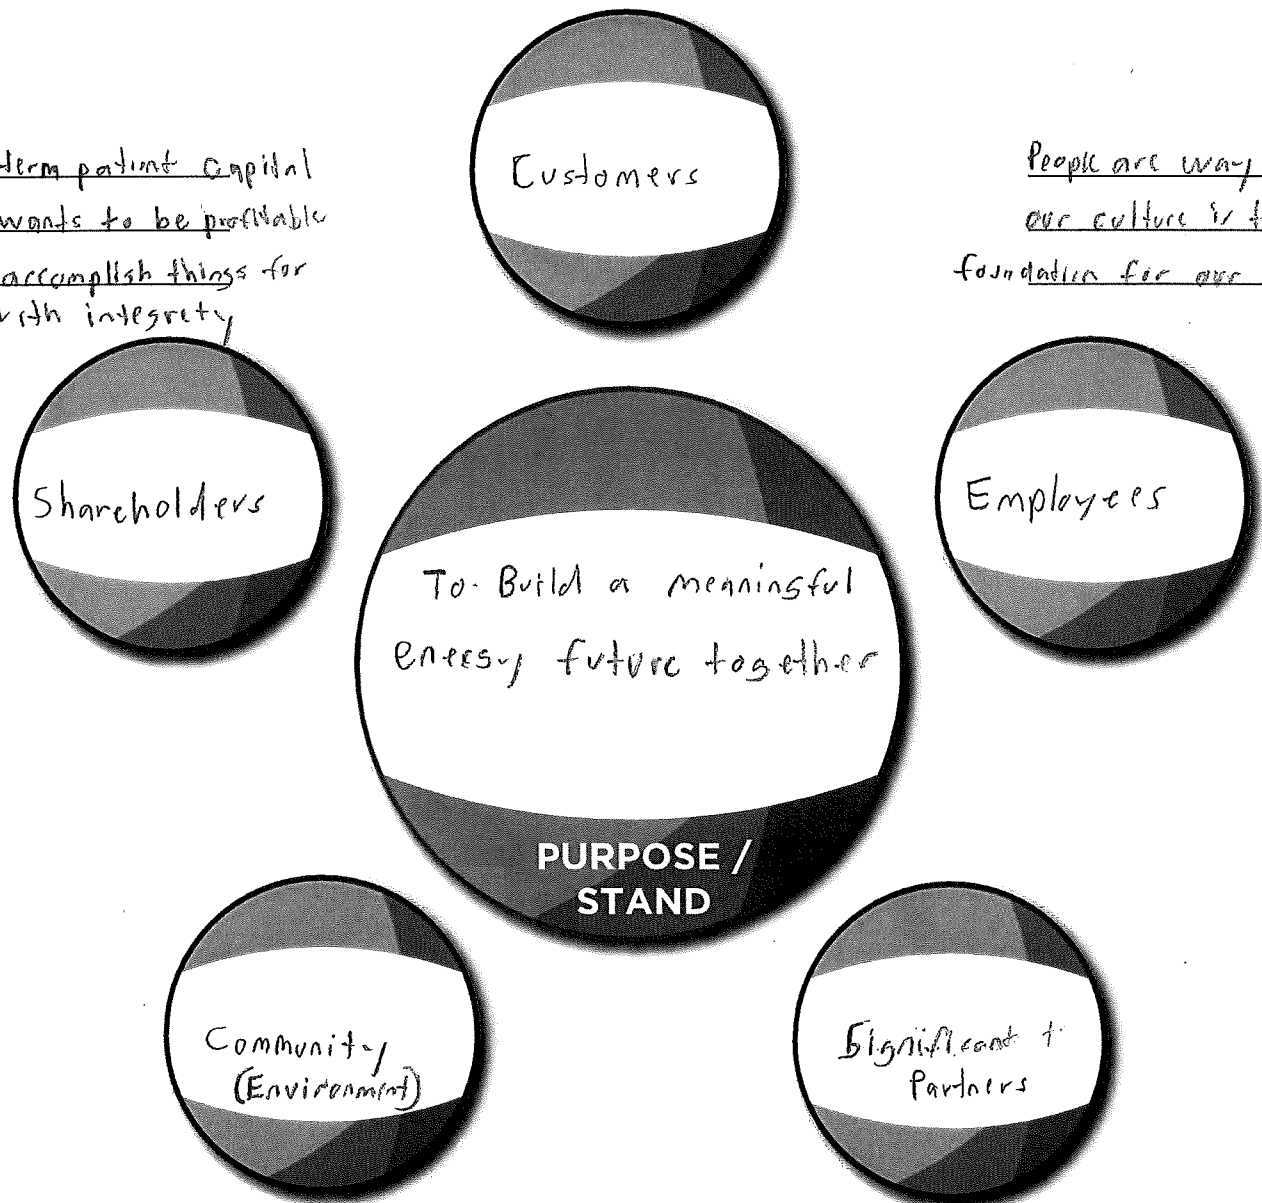

The Customer is our boss

Nothing happens without a sale

It is easier to keep a customer than replace one

Long term patient Capital
that wants to be profitable
but also accomplish things for
with integrity

People are way and
our culture is the
foundation for our success

We are a part of our
community and staying
connected and contributing back
enriches our own lives

Business is about
collaboration and leveraging
others expertise to create value
greater than working independently
